FAIRLINE TARGA WATER LILY
CHARTERED SKIPPER OPERATIONS.

OUR LUXURY POWERBOAT.

Operating from Fowey on the Cornish south coast. We have a fantastic Fairline Targa Cruiser, Water Lily, that will take you on morning, afternoon, full day and evening cruises, to a variety of destinations for your special occasions

Water Lily, can take eight people on an exciting cruise to destinations when seen from the water gives a whole new perspective to the view from the roadside. We can also take you along the coast to a destination of your choice or a secret destination, bespoke to your suggestions.

We tailor our destinations to your requirements.

Obviously, everything is dependant upon the weather !

OUR CHARTERS.

Skipped by a fully qualified and professional crew, Water Lily is fast and luxurious, offering an exciting journey along the south Cornish coast and up the rivers. Powered by 2 Volvo KAD 300hp inboard engines, cruising at around 20 knots, with a top speed of 45 knots, you will be required to wear safety clothing, but that done, sit back and enjoy the thrill of the seaspray, sea breeze and sun sparkling across the water. A little tip, wear sun cream, a hat and bring warm clothes.....the weather can turn quickly.

We offer half day, full day and sunset cruises but we are happy to work to an itinerary suggested by you. However, all cruises will start and finish in Fowey Harbour.

Water Lily can be booked for 2 to 8 persons from one of our packages. If you would prefer to bring your own refreshments, wish to call into a pub or restaurant on our journey, or have a picnic when we drop anchor in a cove, the choice is yours. If you are chartering Water Lily for your special occasion, you will undoubtedly want a photoshoot. We can facilitate this as a crew member, Callum, has a photography degree from Falmouth University!
